NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Pipers to End Season Friday

If you are still trying to figure out where all of the people in Hamlin were living in 1910 when the population was reported to be 24,299, you can quit worrying. This was the total population in Jones County and not for Hamlin.

Because we did not have an editor at Aspermont last week for the newspaper there, my wife, Barbara, had to split her time between Aspermont and Hamlin and because of this much of the copy written for the Herald was done late Tuesday night. On top of the help shortage we also had a service man here all day Monday and part of Tuesday installing a new press in our commercial printing department.

With all of this, along with it being homecoming, things got pretty hectic around here for a few days.

When Barbara was writing the story about the histories that were to go on sale last week she picked up the population figures from the story printed in the early day history. But, unfortunately, the figures referred to in the history were for all of Jones County and not for Hamlin.

Just in case you are wondering about Hamlin's population in 1910, it was listed as 1,978. According to figures in the Texas Almanac, Hamlin had a population of 1,633 in 1920, 2,328 in 1930, 2,406 in 1940, 3,659 in 1950, 3,791 in 1960, and 3,325 in 1970.

Boy, last week was hard on the favorites in District 6-AA. Ballinger gets beat, Anson gets tied and Hamlin get the heck scared out of them before coming out on top. It seems strange now, but last week we were joking with someone about if Anson and Ballinger were to both lose Friday night then Hamlin could end up in a four-way tie for the playoffs.

And if Winters had only made one of their two field goal attempts that could now be the case. Of course, we would have then needed to beat Colorado City and for Anson to beat Ballinger. Now it all depends on who wins between Anson and Ballinger as to who will represent the district.

It appears that District 5-AA is even more mixed up than ours with Slaton, Post and Denver City going into the final week of play all tied up. Since all three of the teams have already played each other it will take one of the other teams in the district to break up the tie. Slaton lost to Denver City earlier in the season but then defeated Post. Post beat Denver City, 33-0, but their previous loss to Slaton keeps the race bottled up.

Apparently the odds are that all three teams will come out on top and it will take a toss of the coin

—Continued on page 4

The Pipers will be playing their final game in Class AA for at least two years Friday night when they travel to Colorado City to take on the Wolves. The Pipers will be out to hold on to their share of second place in the district standings while C-City will be trying to even up their district mark at 3-3.

Last week the Wolves upset the previously undefeated Ballinger Bearcats, 7-6, to put the Bearcats last week as they were tied by the Winters Blizzards, 14-14. With all of the upsets around, Coach David Bonds' crew of Pipers were fortunate to score in the final period and defeat Stamford, 12-6.

This week, while the Pipers are playing at C-City, Anson will be hosting Ballinger and Stamford will be hosting Coahoma. Ballinger needs a win or a tie to represent the district while Anson must win the game outright to advance to the Bi-District contest.

It is highly possible that it will take a coin toss to determine the playoff representative of District 5-AA as Slaton, Post and Denver City go all tied up into the final week. Slaton defeated Post, but lost to Denver City and Denver City lost to Post.

The Colorado City Wolves opened their season with wins over Slaton and Sweetwater,

but then lost to Big Lake, Post, Coahoma, Stamford and Anson before winning their last two games with Winters and Ballinger. They lost to Coahoma, 14-6, to Stamford, 27-20, and to Anson, 14-0. They defeated both Winters and Ballinger, 7-6.

The Wolves are a big strong team that likes to line up and run at people, according to scouting reports. Their quarterback, Ray Torres, 150-pound junior, is a good runner and a good passer. Making the C-City offense go is their big fullback, Bill Everett, 188-pound senior. The halfbacks are Kyle Moore, 155-pound junior, and Jackie Ellis, 198-pound junior. Ellis is also the team's best receiver.

In the line for the Wolves will be Wayne McKee, 155-pound junior, and Pete Parham, 165-pound junior, at the ends. At tackles will be Santos Reyes, 195-pound junior, and Ed Adams, 160-pound sophomore. The guards will be Ruben Ornales, 155-pound junior, and Kevin Herm, 167-pound junior. The center will be Jim Jordan, 175-pound junior.

OAK GROVE DINNER

Baptist Training Union and Young Women's Association of Oak Grove Baptist Church will sponsor a fried chicken dinner Saturday. Serving will begin at 5:30 p.m. in Fellowship Hall. Plates are \$2.25 for adults and \$1.25 for children.

School Board Accepts Low Bid On Bond Sale

The low bid of Merrill, Lynch, Pierce, Fenner and Smith was accepted by the Board of Trustees of the Hamlin Independent School District on the sale of \$1,250,000 in school construction bonds at a called meeting here last Wednesday. The average rate of interest on the 20-year bonds was 6.461119 per cent.

In their regular meeting here Monday evening, the board accepted the audit report for the fiscal year ended Aug. 31, 1975. The audit was by Lester White and Company, Certified Public Accountants, and the report was presented by James Eddie Jay.

The board approved the remodeling of the old band hall located at the public school gymnasium. The project will include office space for the school administration and a new concession stand area for the basketball games. The project is expected to cost about \$6,000 and will be funded from delinquent taxes collected by the district.

The board also adopted a policy concerning the

reporting of child abuse and neglect cases to comply with the legal and moral intent of the Texas Family Code which requires the reporting of child abuse and neglect cases. In the policy statement the board encourages all school personnel to become acquainted with the provisions of the new code and to cooperate with all agencies or other proper departments dealing with this problem.

Under the Texas Family Code adopted by the 63rd Legislature any person having cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect is required to report such case to the proper authorities.

Under terms of the law passed by the Legislature it is a misdemeanor for any abuse, neglect, or mistreatment to fail to report mistreatment to fail to report such cases. Failure to report will be punishable by a fine of not less than \$100 or more than \$500, or by imprisonment in jail for not less than 10 days or more than six months, or both.

Homecoming Activities Draw Big Crowds Here

Highlights of the 21st annual Homecoming of ex-students and ex-teachers the Friday 12-6 victory over the Stamford Bulldogs, the coronation of the queens at halftime, a huge downtown parade Saturday morning, a capacity crowd at the noon barbecue, outstanding local entertainment at the luncheon and business session, election of officers and a timely address by a former superintendent.

Cyndi Lewis, a senior and daughter of Mr. and Mrs. D. G. Lewis, was presented as high school Homecoming queen, and the Exes Homecoming queen was Mrs. C. Weldon (Olivia) Griggs, a former junior high school teacher.

Other Homecoming queen nominees were Sonja Corlee, Debra Hollis and Debbi Light.

The Hamlin stage band played during the luncheon.

Superintendent Bob Hawes gave the welcome to the Saturday afternoon business session in the high school cafeteria. The Rev. Dennis Johnson of the Class of 1956, pastor of the Nazarene Church in Denair, Calif., gave the invocation. The presentation of colors was presented by Boy Scouts Tim Hawkins and Britt Cary. Sammy Ferguson, scoutmaster, read the pledge of allegiance, assisted by Britt Cary.

The Sound of Celebration, youth choir of the First Baptist Church, presented a musical and speaking interpretation, "What Price Freedom?" The speakers told of the men who signed the Declaration of Independence. The choir is directed by Lynn Mink.

Mrs. Holman Jones gave a memorial in honor of deceased ex-students. She also read names of some of the "In Memoriam" gifts that have been given for the Memorial Scholarship Fund. Mrs. George Kinney (Doris Pope) of Stamford, Class of 1932, introduced Dr. Gordon Bennett of Abilene, a former teacher, principal and superintendent of Hamlin schools.

Dr. Bennett's address centered around the Homecoming theme, "Hamlin—70 Years, America—200." He told of the obstacles that the leaders of the

Continental Congress faced. Finally, he said, on July 4, 12 of the colonies signed the document with New York waiting until July 15 to sign.

He said, "We as Americans need a new appreciation of our freedom and opportunities. With our rights, we need responsibilities so that those who follow us may enjoy the same opportunities."

"We have been in 'National Shock' for two years, but in our future are those with responsibilities to continue our heritage," he said.

Dr. Bennett reflected upon the founding of Hamlin as a railroad town, that was named for W. H. Hamlin, a railroad executive. With people of leadership and great ideals, Hamlin helps to make up this great nation, he emphasized.

In closing he said, "Join hand and heart together for tomorrow. Tomorrow is the greatest day for us and our country."

Mrs. Griggs, the ex-student queen was introduced by C. L. White, retiring Ex-student president. Rick Craig,

president of the Senior Class of 1976, introduced Miss Lewis, the high school Homecoming queen, at the Saturday session.

FROM THE FILES . . .

FIFTY YEARS AGO (November 5, 1925)

Tuesday afternoon and Tuesday evening at the Methodist Church, Mrs. Caperton Pace, who has recently returned from India spoke to a large and appreciative audience. Mrs. Pace, with her husband, has spent five years in one of the Mission schools of Northern India, and her experiences in this benighted land make a very interesting story. She is a woman with a very attractive personality and a very forceful speaker, and her talk was not only very entertaining, but very instructive.

This year we have a great increase of students from the surrounding communities, Dovie, Histon, Neinda and Wise Chapel. The Study Hall and all class rooms are filled with desks and the new rooms are being conveniently occupied. There are thirty-seven seniors, the largest and best senior class in the history of Hamlin High.

This week the McMahon Jewelry Store has been the center of attraction. This is because of the wonderful music that the ORTHOPHONIC Victrola Makes. This is something new in artificial music. It is so far ahead of the victrola that there is not much comparison. Go hear the thing.

It is not always that the fire department gets remembered with a check or two after a fire, but the Hamlin Boys are glad to report they have recently been the recipients of good gifts. Following the fire at the old Opera House last week, B. B. Cowell who is the nearest neighbor to the burned building and one of the best firemen in town himself just went and hooked out a \$25 dollar check. That's what we call "example."

TWENTY YEARS AGO (November 4, 1955)

A disappointing number of area motorists attended the safety driving clinic conducted last Friday afternoon at Hamlin High School Auditorium. The clinic was sponsored by the Fifty-Two Study Club and Woman's Literary Club in co-operation with West Texas Utilities Company. Eudora Hawkins, public relations representative of the utilities firm, was chairman of the meeting.

Acquisition of a frame building and plans for moving it to the new site in Northwest Hamlin were announced this week by the leaders of the Sunset Baptist Church. Since the coming to the church recently of Rev. W. A. TEN YEARS AGO (November 4, 1965)

The Hamlin Herald, Hamlin's oldest business to be operated under the same name since its beginning, observes its 60th Anniversary this week. The newspaper, according to information from the files, was started the week in November, 1905, by Mrs. Claude Shelton, who later went to Rotan. The weekly newspaper, in recording the news of the week is writing history of Hamlin, as it has done for sixty years. The weekly issues are bound into a volume each year and kept carefully to insure an uninterrupted story of Hamlin and its progress.

Hamlin voters voted with the rest of Jones County to retain the wolf trapper. The east box voted 99 for and 43 against while the west box tallied 51 for and 3 against. In a light vote of 144 here Tuesday the west box voted against proposals seven and 10 and for the rest of the ten. The east box with 58 votes cast went for all proposals except number 10. Mrs. Lennie Greenway presided at West box and Tom Routh was in charge of the east box.

The sixth grade will play an intra-squad scrimmage here Tuesday night preceding the eighth grade game with Stamford. The sixth grade will don the seventh grades uniforms Thursday and will work out in pads between now and game time under the direction of the Junior High coaches, Grady Allen, Robert Brandon, and Kenneth Leverett. Brandon will coach one team and Leverett the other. Coach Allen has been working with the boys in P. E. Class for some time. Game time is 6 p.m.

All citizens who want to show support of their government's military efforts in South Vietnam have been asked to take part in "Operation Boost" on Veteran's Day Nov. 11, by Commander Carl Green of Post 6014, the Veterans of Foreign Wars.

before the winner of this district will know who they are to meet in Bi-District.

After three years of working our Thanksgiving holidays around the playoff games it does seem strange this year not to have this problem. For the Pipers it will be roundball time after Friday night.

We hope that a good many of you will make a special effort to go to Colorado City Friday night and help the Pipers go out of AA with a final victory. These youngsters have had a good season and are more than deserving of your support in this final game.

Townesley said that the messages will be centered around "the faith that God has given us and how to release it." Also to be presented, he said, is who man is in God's plan.

The public is cordially invited.

"REMEMBER, GRANDPA, WHEN..."

How Grandpa loves to hear that young voice say those magic words that mean, "We had good times together! I appreciate all the wonderful things you did for me when you were younger and able." Old folks love attention. They need it. They deserve to have it. They've spent their lives helping us, many times at the expense of their own desires and plans.

God commands us in Leviticus 19:32: "Thou shalt rise up before the hoary head, and honour the face of the old man, and fear thy God. I am the Lord."

Honor the older ones, too, by attending church this week and taking them with you.

Fourth Quarter Score Gives Pipers 12-6 Victory

An 80-yard scoring drive in the fourth quarter broke a 6-6 deadlock to give the Pipers a 12-6 victory here Friday night before a huge Homecoming crowd.

The Pipers missed two scoring opportunities early in the first period before Daniel Willis put six points on the board in the first quarter. The Pipers missed another opportunity to score in the second period before the Bulldogs tied the game up just before the half.

The Piper defense stopped two Bulldog drives in the second half before they could mount their 11-play, 80-yard scoring drive in the final quarter to take their third district win. Stanley Jo es capped the drive with a one-yard plunge into the end zone for the touchdown.

Halfback Robert Phariss was the top ground gainer for the Pipers with 82 yards in 13 carries. His big runs were for 21, 28 and 23 yards. He was followed by Delbert Thompson with 11 carries for 57

yards and Willis with 52 yards in 12 carries.

Tailback Don Earl was the workhorse for the Bulldogs as he carried the ball 25 times for a total of 83 yards.

Phariss took the opening kickoff and returned it 10 yards to the Hamlin 44 to open the contest. He picked up five yards on first down and ripped off 21 yards on third down to give the Pipers a first down on the Stamford 30. Willis added six more before the Pipers were stuck with two penalties back to back. Facing second and 24, the Pipers tried a pass and then Willis was stopped for a three-yard gain. Gerald Rodgers punted out of bounds at the Stamford seven.

The Bulldogs picked up only five yards in three plays and Earl punted 23 yards to

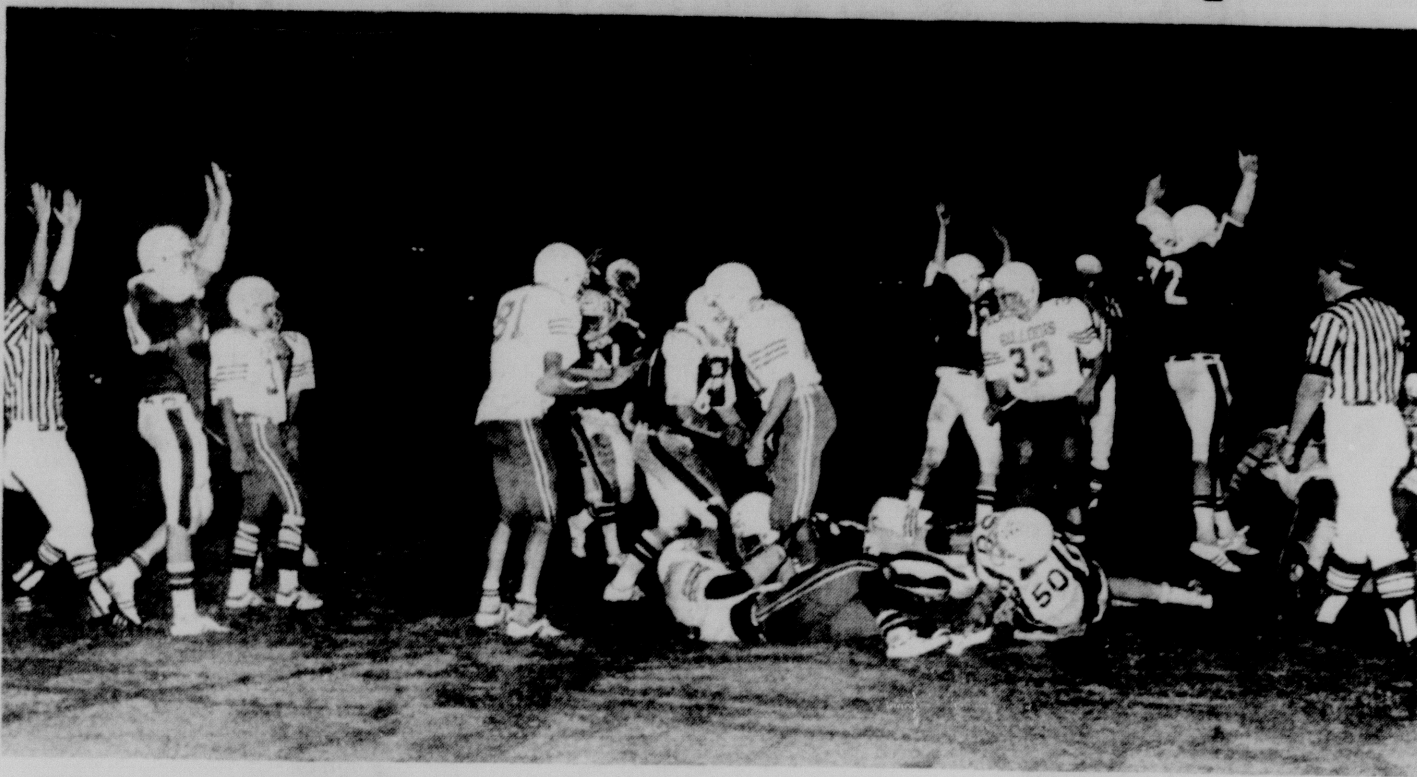

the Stamford 35. The Pipers lost one yard in three plays and Rodgers punted out of bounds again. This time on the Stamford four. Again the Pipers held the Bulldogs and Earl punted 16 yards to the Stamford 26.

Thompson gained six yards in two plays and then Phariss picked up a first down on a eight-yard carry to the 12. Willis was stopped for no gain and then carried to the one on the next play. He went over his right guard for the score. The try for the point after was no good and the Pipers owned a 6-0 lead with 2:34 left in the first period.

Earl fumbled on the first play following the kickoff with Willis recovering the ball at the Stamford 18. But in four plays the Pipers could manage only four yards and had to give the ball back to the Bulldogs.

Three plays later Willis had the ball back for the Pipers, this time on a pass interception at the Stamford 46. Russell May and Thompson picked up a first down at the Stamford 33, but four plays later Thompson was ruled just inches short of another first down and the Bulldogs had the ball back on their own 24.

The Bulldogs moved the ball to the Hamlin 27 before Steve Williams recovered another Stamford fumble for the Pipers. The Piper's possession of the football was short lived, however, as two plays later the Bulldogs picked off a Rodgers pass and

took over at the Hamlin 34. It took the Bulldogs six plays to cross the Piper goal line with Earl scoring from the three. His kick try was no good the score was tied with 2:14 left in the first half.

The two teams exchanged punts to open the second half and then the Bulldogs put together a 12-play drive from their own 10 to their own 48 before Earl punted again. The Pipers were again unable to move the football and punted to the Stamford 37.

The Bulldogs picked up two

first downs before punting back to the Pipers.

Taking over on their own 20, the Pipers sent Thompson into the line for two yards. Phariss was dropped for a yard loss and then Thompson broke loose for 24 yards to the 45.

Thompson carried for gains of three and four yards and then Rodgers picked up three yards and the first down at the Stamford 45. Phariss ripped off 28 yards to the Stamford 27 and then Willis added 17 more to the 10. Thompson carried for nine to

the one-foot line. Phariss was stopped for no gain and then Jones carried in for the six points. The point after missed and the Pipers held a six-point lead with 5:45 left in the game.

The Piper defense stopped the Bulldogs following the kickoff and Stamford was forced to punt. Willis fumbled the fair catch and the Bulldogs had the ball back again on the Hamlin 49. The Bulldog threat was stopped two plays later, however, when May intercepted the

second Bulldog pass of the evening.

Taking over on their own 40, the Pipers picked up 23 yards on a run by Phariss and 14 on a run by Willis to move the ball to the Stamford 23. But the Pipers lost 11 yards in three plays and Rodgers got off a short punt to the Stamford 28.

The Bulldogs completed two passes to the Hamlin 37 before four plays netted them a minus eight yards and the Pipers took over on the 45 to run the clock out.

McCaulley Downs Trent Saturday

The McCaulley Eagles shook off numerous injuries Saturday night to defeat the Trent Gorillas, 45-0. James Kemp started the scoring on a 45-yard pass from Quarterback Robert Morales. The extra point was blocked by the Gorillas. Morales again went for James Kemp for a 20-yard pass and again the Gorillas blocked the extra point.

In the second period Morales passed to Max Kemp for a 15-yard touchdown. Morales kicked the PAT. Morales again passed to James Kemp making the score 26-0. Trent went for a touchdown which was called back due to a clipping penalty.

During the second half of play Alton Hawthorne intercepted a Gorilla pass and went 30 yards to score. Again the PAT was blocked by the Gorillas. Earl Williams ran another score and Morales passed to him for the extra point making the score 39-0. With less than three minutes left to play Hawthorne ran 25 yards for the last touchdown which ended the game with McCaulley 45 and Trent 0.

Other members of the team who helped to make this upset possible were Kenny Smart, defensive end and Luke Davis, center.

At the time of this writing the McCaulley—Eagles, Highland Hornets and Trent Gorillas are in a three-way tie for District 3-B. Friday the Eagles will play the last scheduled game of the season on their home field with the Hobbs Panthers at 7:30 p.m.

Neinda Philosopher Works Out A Plan For The President To Visit The Populace Safely

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with a suggestion this week. He may even be serious.

Dear editor:

Now that things have quieted down and all the big city columnists have said all they can think of about the dangers to a President as he travels around the country, I have assembled a few thoughts.

As I understand it, Presidents claim they have to travel around the country to get the feel of things, to find out what people are thinking, and the danger of some nut shooting at them is just one of the hazards of the office.

But there's another and a lot safer and cheaper way of doing it. Like it is, the President gets in Air Force One, which I understand costs \$3,000 an hour to operate, and flies to a distant city. Behind his plane is another plane carrying reporters and camera crews, behind that another carrying his bullet-proof limosine and 30 or 40 Secret Service men, and ahead of all of them, for all I know, is another plane making sure the entourage doesn't hit any whooping cranes or bald eagles. Prior to this of course another plane has brought a load of Secret Service people

to scout the city, line up every local policeman available to guard the procession's route after the planes land, and, when they don't forget it, check the city's stop-lights.

After the President has delivered his speech at some hotel, he comes out and starts shaking hands with the people pressing against the rope barriers or the steel fence. His conversation with the people consists of saying "Hello. Glad to see you," or "How are you?" with no chance for you really to tell him how you are. He doesn't know whether you have lumbago or a suggestion on how to help New York.

Here's where my suggestion comes in. Don't fly the President to the people. Fly the people to the President. If he wants to know what the people in Detroit are thinking, for example, pick out a small cross-section of the people there, search them thoroughly, and fly them to the White House. Next week pick Chicago, then Los Angeles, then Peoria, then Hamlin, etc. I'd advise him not to pick New York for the time being.

If, as some pundits claim, television exposure is really what a President is after, I think the networks would be tickled to set up their cameras in the White House. Be a lot cheaper than sending them all over the nation.

For one-twentieth of what

the present system is costing, with all the assassination dangers eliminated, the President can sit in the Oval Office or around his swimming pool and find out what the people are thinking. You might be working up a list of people from here who ought to go.

Your faithfully,
J.A.

Hamlin High School Happenings
(Compiled each week by the HHS Journalism Class)

The girls' volleyball team captured third place during the two-day District 6-AA tournament last week.

The Piperettes fell to Ballinger Wednesday in the first game here 15-13 and 15-9, but came back to trample Stamford 15-4 and 15-1.

Thursday the Hamlin volleyballers were dropped in Ballinger 15-9 and 15-4 in the third-place battle with the host Bearcats.

The Pied Pipers rolled over the Stamford Bulldogs 12-6 Friday evening in Piper Stadium during Homecoming festivities.

The Pipers' record now stands at 6-2-1 for the season and 3-2 for district play.

The leading ground gainer for Hamlin was Robert Pharris with 84 yards. The Pipers' defense held the Bulldogs to 214 total yards.

The Hamlin junior varsity shut out the Abilene Christian High varsity 12-0 in Piper Stadium last Thursday evening.

Mack Lee and Drew Tomlinson were the only scorers of the game, while both of the Hamlin extra point attempts failed.

The Hamlin JV's have won their last six contests and their record stands at 6-2-1 for the season.

The eighth grade footballers walked over their counterparts from Stamford 20-6 Thursday evening in Bulldog Stadium, bringing their record to 3-2-1.

School pictures were sold from Wednesday through Friday of last week in the high school lobby.

The package contains three sheets of various-sized pictures and sold for \$4.20. Anyone wishing to buy their pictures this week should contact Jerry Gooch, annual staff sponsor.

Hamlin's Student Council will be running for president at the district convention this year. All members are pooling their efforts toward this goal.

The Hamlin High Spanish Club drove to Abilene Tuesday evening to bowl for their November meeting.

Hamlin's Pied Piper footballers end their season in Colorado City Friday evening at 7:30.

A win would allow the Pipers a second place finish in District 6-AA.

Colorado City should prove a formidable opponent as witnessed by their 7-6 upset over the state-rated Ballinger Bearcats last week.

300 FFA Members Take Part In District Contests Here

Approximately 300 FFA members representing all 15 chapters in the Double Mountain District FFA Association participated in the annual Double Mountain District FFA Leadership Contests in Hamlin Nov. 6. The contests were hosted by the Hamlin FFA Chapter and the Hamlin High School Vocational Agriculture Department.

Five chapters captured first places and will represent the district at the Area II Leadership Contests in Big Spring on Nov. 22. First place teams were Stamford FFA in Farm Radio, Roby FFA in Senior Chapter Conducting, Rochester FFA in Senior Farm Skills, Aspermont FFA in the Junior Farm Skills, and Lueders-Avoca FFA in the FFA Quiz and in Junior Chapter Conducting.

AUSTIN — Most observers agree constitutional revision is a dead issue in Texas after last week's crushing defeat of all eight proposed changes in the state's basic law.

The eight propositions went down by a statewide margin of nearly three-to-one, leaving proponents little ground for optimism of reviving any of them.

They failed by resounding counts in the cities, the middle-sized towns and in the rural areas. Only Duval and Webb counties approved all eight proposals, and El Paso County endorsed seven. Kenedy County accepted the first three and rejected five others.

Lawmakers seemed to agree that, in view of the lopsided turnout, there is no point in trying to call a citizens constitutional convention.

Some said the only chance for revision now is a long, drawn-out process in which a single article or parts of articles are submitted to voters one-at-a-time after careful efforts to iron out differences.

Only the League of Women Voters of Texas remained committed to seeking establishment of a citizens convention to draft a new document.

Some legislators who pushed hard for revision admitted they will be keeping a low profile for awhile—hoping the voters don't hold their activities against them.

Jails Studied

Only half a dozen county jails met all Health Department standards during the last six years, the new Texas Commission on Jail Standards was told last week.

The Commission met here to discuss how it can go about getting public support for upgrading jails.

A Health Department officer said only counties whose jails had a perfect score were Childress, Gillespie, Howard, Lynn, Milam, and Oldham. Eight others had a single violation out of a list of 30 items checked.

The Commission has enforcement power, can order sub-standard jails closed and transfer prisoners to other facilities.

No Tax Bill

The chairman of the Texas House of Representatives tax panel questioned whether a new tax bill will be required in the legislature of 1977.

The state has escaped new taxes for two legislative sessions, but most projections have indicated a record revenue measure will be required at the next session.

"My personal belief is that a tax increase is not going to be required at the next session of the legislature," Rep. Joe Wyatt of Bloomington told a seminar on the state tax structure. Wyatt is chairman of the House Ways and Means Committee.

Patient Load Drops

Patient population at Texas mental hospitals has dropped 18.1 per cent in the last year, to 6,944.

The admission rate, meanwhile, increased to 19,797 from 18,413. Community-based facilities close to patients' homes and improved treatment programs were credited with reducing the number of long-term residents.

Courts Speak

The State Supreme Court held businesses have a right to jury trial when the state sues them for deceptive trade practices.

In another case, the High Court called for a new trial of a Galveston area woman's suit arising from burn injuries when natural gas came out of her kitchen sink water faucet.

By a divided verdict, the Court affirmed a \$303,126 ruling against the widow of the owner of a rental and supply firm which rented scaffolding from which workmen fell during construction of a Galveston school a decade ago.

Short Snorts
Harry Burleigh resigned as executive director of Texas Water Development Board.

Texas business activity increased 12 per from August to September, according to The University of Texas Bureau of Business Research.

The State Insurance Board sees no danger of insurance firm insolvencies due to investment in New York City bonds, according to Chairman Joe Christie.

AFL-CIO leaders are pushing for a corporate income tax next time big

money is needed to run state government.

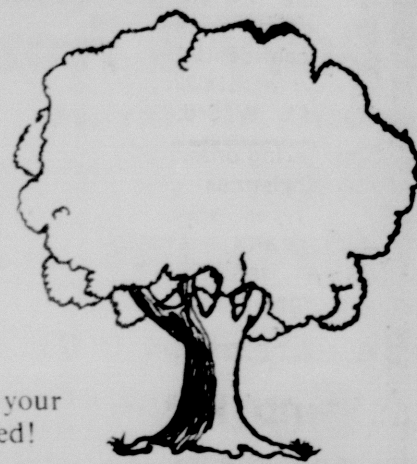

Secretary of State Mark White Jr. reported no instances of voter discrimination, intimidation or coercion in the November 4 constitutional revision election.

A total of \$13.7 million in federal Economic Development Administration funds have been approved to help create jobs for 2,500 Texans.

Cigarette tax revenues increased more than \$1 million last month over October 1974.

CLASS OF 1976 WINS FIRST—The Senior Class of Hamlin High School that will graduate in 1976, the year of the Bicentennial celebration, won first place in the school beauty division with the "Birth of Our Nation 1776" float in the Saturday morning Homecoming parade.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

If you are still trying to figure out where all of the people in Hamlin were living in 1910 when the population was reported to be 24,299, you can quit worrying. This was the total population in Jones County and not for Hamlin.

Because we did not have an editor at Aspermont last week for the newspaper there, my wife, Barbara, had to split her time between Aspermont and Hamlin and because of this much of the copy written for the Herald was done late Tuesday night. On top of the help shortage we also had a service man here all day Monday and part of Tuesday installing a new press in our commercial printing department.

With all of this, along with it being homecoming, things got pretty hectic around here for a few days.

When Barbara was writing the story about the histories that were to go on sale last week she picked up the population figures from the story printed in the early day history. But, unfortunately, the figures referred to in the history were for all of Jones County and not for Hamlin.

Just in case you are wondering about Hamlin's population in 1910, it was listed as 1,978. According to figures in the Texas Almanac, Hamlin had a population of 1,633 in 1920, 2,328 in 1930, 2,406 in 1940, 3,659 in 1950, 3,791 in 1960, and 3,325 in 1970.

Boy, last week was hard on the favorites in District 6-AA. Ballinger gets beat, Anson gets tied and Hamlin get the heck scared out of them before coming out on top. It seems strange now, but last week we were joking with someone about if Anson and Ballinger were to both lose Friday night then Hamlin could end up in a four-way tie for the playoffs.

And if Winters had only made one of their two field goal attempts that could now be the case. Of course, we would have then needed to beat Colorado City and for Anson to beat Ballinger. Now it all depends on who wins between Anson and Ballinger as to who will represent the district.

It appears that District 5-AA is even more mixed up than ours with Slaton, Post and Denver City going into the final week of play all tied up. Since all three of the teams have already played each other it will take one of the other teams in the district to break up the tie. Slaton lost to Denver City earlier in the season but then defeated Post. Post beat Denver City, 33-0, but their previous loss to Slaton keeps the race bottled up.

Apparently the odds are that all three teams will come out on top and it will take a toss of the coin

—Continued on page 4

Pipers to End Season Friday

The Pipers will be playing their final game in Class AA for at least two years Friday night when they travel to Colorado City to take on the Wolves. The Pipers will be out to hold on to their share of second place in the district standings while C-City will be trying to even up their district mark at 3-3.

Last week the Wolves upset the previously undefeated Ballinger Bearcats, 7-6, to put the Bearcats and the Anson Tigers into a battle for district honors. The Tigers only fared slightly better than the Bearcats last week as they were tied by the Winters Blizzards, 14-14. With all of the upsets around, Coach David Bonds' crew of Pipers were fortunate to score in the final period and defeat Stamford, 12-6.

This week, while the Pipers are playing at C-City, Anson will be hosting Ballinger and Stamford will be hosting Coahoma. Ballinger needs a win or a tie to represent the district while Anson must win the game outright to advance to the Bi-District contest.

It is highly possible that it will take a coin toss to determine the playoff representative of District 5-AA as Slaton, Post and Denver City go all tied up into the final week. Slaton defeated Post, but lost to Denver City and Denver City lost to Post.

The Colorado City Wolves opened their season with wins over Slaton and Sweetwater,

but then lost to Big Lake, Post, Coahoma, Stamford and Anson before winning their last two games with Winters and Ballinger. They lost to Coahoma, 14-6, to Stamford, 27-20, and to Anson, 14-0. They defeated both Winters and Ballinger, 7-6.

The Wolves are a big strong team that likes to line up and run at people, according to scouting reports. Their quarterback, Ray Torres, 150-pound junior, is a good runner and a good passer. Making the C-City offense go is their big fullback, Bill Everett, 188-pound senior. The halfbacks are Kyle Moore, 155-pound junior, and Jackie Ellis, 198-pound junior. Ellis is also the team's best receiver.

In the line for the Wolves will be Wayne McKee, 155-pound junior, and Pete Parham, 165-pound junior, at the ends. At tackles will be Santos Reyes, 195-pound junior, and Ed Adams, 160-pound sophomore. The guards will be Ruben Ornales, 155-pound junior, and Kevin Herm, 167-pound junior. The center will be Jim Jordan, 175-pound junior.

OAK GROVE DINNER

Baptist Training Union and Young Women's Association of Oak Grove Baptist Church will sponsor a fried chicken dinner Saturday. Serving will begin at 5:30 p.m. in Fellowship Hall. Plates are \$2.25 for adults and \$1.25 for children.

School Board Accepts Low Bid On Bond Sale

The low bid of Merrill, Lynch, Pierce, Fenner and Smith was accepted by the Board of Trustees of the Hamlin Independent School District on the sale of \$1,250,000 in school construction bonds at a called meeting here last Wednesday. The average rate of interest on the 20-year bonds was 6.461119 per cent.

In their regular meeting here Monday evening, the board accepted the audit report for the fiscal year ended Aug. 31, 1975. The audit was by Lester White and Company, Certified Public Accountants, and the report was presented by James Eddie Jay.

The board approved the remodeling of the old band hall located at the public school gymnasium. The project will include office space for the school administration and a new concession stand area for the basketball games. The project is expected to cost about \$6,000 and will be funded from delinquent taxes collected by the district.

The board also adopted a policy concerning the

reporting of child abuse and neglect cases to comply with the legal and moral intent of the Texas Family Code which requires the reporting of child abuse and neglect cases. In the policy statement the board encourages all school personnel to become acquainted with the provisions of the new code and to cooperate with all agencies or other proper departments dealing with this problem.

Under the Texas Family Code adopted by the 63rd Legislature any person having cause to believe that a child's physical or mental health or welfare has been or may be adversely affected by abuse or neglect is required to report such case to the proper authorities.

Under terms of the law passed by the Legislature it is a misdemeanor for any abuse, neglect, or mistreatment to fail to report mistreatment to fail to report such cases. Failure to report will be punishable by a fine of not less than \$100 or more than \$500, or by imprisonment in jail for not less than 10 days or more than six months, or both.

HOMEcoming ROYALTY—Homecoming queens crowned during halftime activities Friday evening were Mrs. C. Weldon Griggs, ex-student queen, and Cyndi Lewis, high school queen. Featured in the coronation ceremonies were queen nominees and their escorts. From left are Sonja Corlee, escorted

by her father, Carl Corlee; Debra Hollis, escorted by her uncle, Lester Hollis of Lamesa; Mrs. Griggs; C. L. White, Ex-Student president; Miss Lewis, her father, D. G. Lewis; and Debbi Light, escorted by her father, O. P. Light. (Photo by Tim Jones)

Homecoming Activities Draw Big Crowds Here

Highlights of the 21st annual Homecoming of ex-students and ex-teachers the Friday 12-6 victory over the Stamford Bulldogs, the coronation of the queens at halftime, a huge downtown parade Saturday morning, a capacity crowd at the noon barbecue, outstanding local entertainment at the luncheon and business session, election of officers and a timely address by a former superintendent.

Cyndi Lewis, a senior and daughter of Mr. and Mrs. D. G. Lewis, was presented as high school Homecoming queen, and the Exes Homecoming queen was Mrs. C. Weldon (Olivia) Griggs, a former junior high school teacher.

Other Homecoming queen nominees were Sonja Corlee, Debra Hollis and Debbie Light.

The Hamlin stage band played during the luncheon.

Superintendent Bob Hawes gave the welcome to the Saturday afternoon business session in the high school cafeteria. The Rev. Dennis Johnson of the Class of 1956, pastor of the Nazarene Church in Denair, Calif., gave the invocation. The presentation of colors was presented by Boy Scouts Tim Hawkins and Britt Cary. Sammy Ferguson, scoutmaster, read the pledge of allegiance, assisted by Britt Cary.

The Sound of Celebration, youth choir of the First Baptist Church, presented a musical and speaking interpretation, "What Price Freedom?" The speakers told of the men who signed the Declaration of Independence. The choir is directed by Lynn Mink.

Mrs. Holman Jones gave a memorial in honor of deceased ex-students. She also read names of some of the "In Memoriam" gifts that have been given for the Memorial Scholarship Fund.

Mrs. George Kinney (Doris Pope) of Stamford, Class of 1932, introduced Dr. Gordon Bennett of Abilene, a former teacher, principal and superintendent of Hamlin schools.

Dr. Bennett's address centered around the Homecoming theme, "Hamlin—70 Years, America—200." He told of the obstacles that the leaders of the

Continental Congress faced. Finally, he said, on July 4, 12 of the colonies signed the document with New York waiting until July 15 to sign.

He said, "We as Americans need a new appreciation of our freedom and opportunities. With our rights, we need responsibilities so that those who follow us may enjoy the same opportunities."

"We have been in 'National Shock' for two years, but in our future are those with responsibilities to continue our heritage," he said.

Dr. Bennett reflected upon the founding of Hamlin as a railroad town, that was named for W. H. Hamlin, a railroad executive. With people of leadership and great ideals, Hamlin helps to make up this great nation, he emphasized.

In closing he said, "Join hand and heart together for tomorrow. Tomorrow is the greatest day for us and our country."

Mrs. Griggs, the ex-student queen was introduced by C. L. White, retiring Ex-student president. Rick Craig,

president of the Senior Class of 1976, introduced Miss Lewis, the high school Homecoming queen, at the Saturday session.

Fourth Quarter Score Gives Pipers 12-6 Victory

An 80-yard scoring drive in the fourth quarter broke a 6-6 deadlock to give the Pipers a 12-6 victory here Friday night before a huge Homecoming crowd.

The Pipers missed two scoring opportunities early in the first period before Daniel Willis put six points on the board in the first quarter. The Pipers missed another opportunity to score in the second period before the Bulldogs tied the game up just before the half.

The Piper defense stopped two Bulldog drives in the second half before they could mount their 11-play, 80-yard scoring drive in the final quarter to take their third district win. Stanley Jo capped the drive with a one-yard plunge into the end zone for the touchdown.

Halfback Robert Phariss was the top ground gainer for the Pipers with 82 yards in 13 carries. His big runs were for 21, 28 and 23 yards. He was followed by Delbert Thompson with 11 carries for 57

yards and Willis with 52 yards in 12 carries.

Tailback Don Earl was the workhorse for the Bulldogs as he carried the ball 25 times for a total of 83 yards.

Phariss took the opening kickoff and returned it 10 yards to the Hamlin 44 to open the contest. He picked up five yards on first down and ripped off 21 yards on third down to give the Pipers a first down on the Stamford 30. Willis added six more before the Pipers were stuck with two penalties back to back. Facing second and 24, the Pipers tried a pass and then Willis was stopped for a three-yard gain. Gerald Rodgers punted out of bounds at the Stamford seven.

The Bulldogs picked up only five yards in three plays and Earl punted 23 yards to

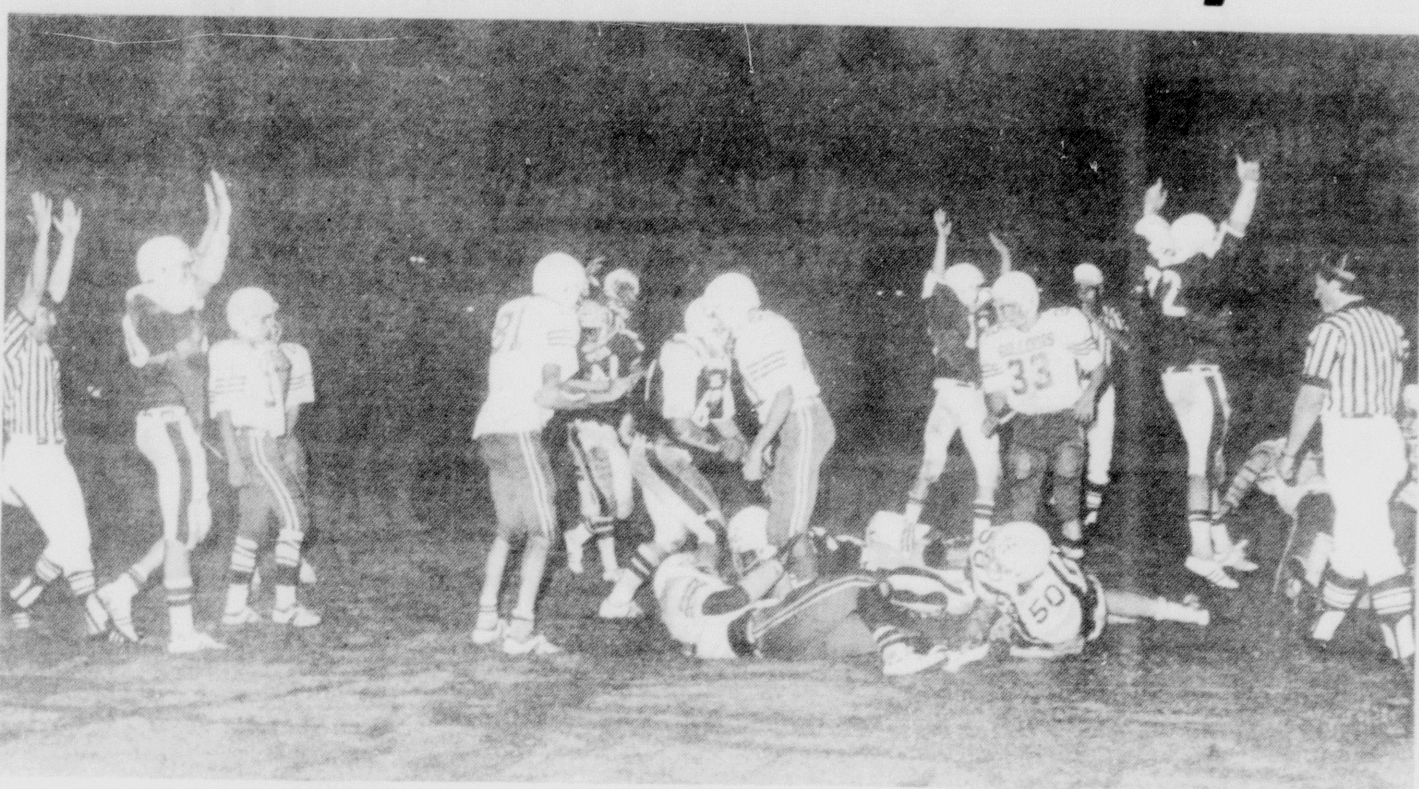

the Stamford 35. The Pipers lost one yard in three plays and Rodgers punted out of bounds again. This time on the Stamford four. Again the Pipers held the Bulldogs and Earl punted 16 yards to the Stamford 26.

Thompson gained six yards in two plays and then Phariss picked up a first down on an eight-yard carry to the 12. Willis was stopped for no gain and then carried to the one on the next play. He went over his right guard for the score. The try for the point after was no good and the Pipers owned a 6-0 lead with 2:34 left in the first period.

Earl fumbled on the first play following the kickoff with Willis recovering the ball at the Stamford 18. But in four plays the Pipers could manage only four yards and had to give the ball back to the Bulldogs.

Three plays later Willis had the ball back for the Pipers, this time on a pass interception at the Stamford 46. Russell May and Thompson picked up a first down at the Stamford 33, but four plays later Thompson was ruled just inches short of another first down and the Bulldogs had the ball back on their own 24.

The Bulldogs moved the ball to the Hamlin 27 before Steve Williams recovered another Stamford fumble for the Pipers. The Piper's possession of the football was short lived, however, as two plays later the Bulldogs picked off a Rodgers pass and

WINNING TOUCHDOWN—The officials get lots of help from the Pipers in signaling the winning touchdown here Friday night against the Stamford Bulldogs. Stan Jones capped an

took over at the Hamlin 34.

It took the Bulldogs six plays to cross the Piper goal line with Earl scoring from the three. His kick try was no good the score was tied with 2:14 left in the first half.

The two teams exchanged punts to open the second half and then the Bulldogs put together a 12-play drive from their own 10 to their own 48 before Earl punted again. The Pipers were again unable to move the football and punted to the Stamford 37.

The Bulldogs picked up two

first downs before punting back to the Pipers.

Taking over on their own 20, the Pipers sent Thompson into the line for two yards, Phariss was dropped for a yard loss and then Thompson broke loose for 24 yards to the 45.

Thompson carried for gains of three and four yards and then Rodgers picked up three yards and the first down at the Stamford 45. Phariss ripped off 28 yards to the Stamford 27 and then Willis added 17 more to the 10. Thompson carried for nine to

the one-foot line. Phariss was stopped for no gain and then Jones carried in for the six points. The point after missed and the Pipers held a six-point lead with 5:45 left in the game.

The Piper defense stopped the Bulldogs following the kickoff and Stamford was forced to punt. Willis fumbled the fair catch and the Bulldogs had the ball back again on the Hamlin 49. The Bulldog threat was stopped two plays later, however, when May intercepted the

second Bulldog pass of the evening.

Taking over on their own 40, the Pipers picked up 23 yards on a run by Phariss and 14 on a run by Willis to move the ball to the Stamford 23. But the Pipers lost 11 yards in three plays and Rodgers got off a short punt to the Stamford 28.

The Bulldogs completed two passes to the Hamlin 37 before four plays netted them a minus eight yards and the Pipers took over on the 45 to run the clock out.

McCaulley Downs Trent Saturday

The McCaulley Eagles shook off numerous injuries Saturday night to defeat the Trent Gorillas, 45-0. James Kemp started the scoring on a 45-yard pass from Quarterback Robert Morales. The extra point was blocked by the Gorillas. Morales again vent for James Kemp for a 20-yard pass and again the Gorillas blocked the extra point.

In the second period Morales passed to Max Kemp for a 15-yard touchdown. Morales kicked the PAT. Morales again passed to James Kemp making the score 26-0. Trent went for a touchdown which was called back due to a clipping penalty.

During the second half of play Alton Hawthorne intercepted a Gorilla pass and went 30 yards to score. Again the PAT was blocked by the Gorillas. Earl Williams ran another score and Morales passed to him for the extra point making the score 39 to 0. With less than three minutes left to play Hawthorne ran 25 yards for the last touchdown which ended the game with McCaulley 45 and Trent 0.

Other members of the team who helped to make this upset possible were Kenny Smart, defensive end and Luke Davis, center.

At the time of this writing the McCaulley—Eagles, Highland Hornets and Trent Gorillas are in a three-way tie for District 3-B. Friday the Eagles will play the last scheduled game of the season on their home field with the Hobbs Panthers at 7:30 p.m.

Neinda Philosopher Works Out A Plan For The President To Visit The Populace Safely

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One comes up with a suggestion this week. He may even be serious.

Dear editor:
Now that things have quieted down and all the big city columnists have said all they can think of about the dangers to a President as he travels around the country, I have assembled a few thoughts.

As I understand it, Presidents claim they have to travel around the country to get the feel of things, to find out what people are thinking, and the danger of some nut shooting at them is just one of the hazards of the office.

But there's another and a lot safer and cheaper way of doing it. Like it is, the President gets in Air Force One, which I understand costs \$3,000 an hour to operate, and flies to a distant city. Behind his plane is another plane carrying reporters and camera crews, behind that another carrying his bullet-proof limosine and 30 or 40 Secret Service men, and ahead of all of them, for all I know, is another plane making sure the entourage doesn't hit any whooping cranes or bald eagles. Prior to this of course another plane has brought a load of Secret Service people

to scout the city, line up every local policeman available to guard the procession's route after the planes land, and, when they don't forget it, check the city's stop-lights.

After the President has delivered his speech at some hotel, he comes out and starts shaking hands with the people pressing against the rope barriers or the steel fence. His conversation with the people consists of saying "Hello. Glad to see you," or "How are you?" with no chance for you really to tell him how you are. He doesn't know whether you have lumbago or a suggestion on how to help New York.

Here's where my suggestion comes in. Don't fly the President to the people. Fly the people to the President. If he wants to know what the people in Detroit are thinking, for example, pick out a small cross-section of the people there, search them thoroughly, and fly them to the White House. Next week pick Chicago, then Los Angeles, then Peoria, then Hamlin, etc. I'd advise him not to pick New York for the time being.

If, as some pundits claim, television exposure is really what a President is after, I think the networks would be tickled to set up their cameras in the White House. Be a lot cheaper than sending them all over the nation.

For one-twentieth of what

the present system is costing, with all the assassination dangers eliminated, the President can sit in the Oval Office or around his swimming pool and find out what the people are thinking. You might be working up a list of people from here who ought to go.

Your faithfully,
J.A.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The girls' volleyball team captured third place during the two-day District 6-AA tournament last week.

The Piperettes fell to Ballinger Wednesday in the first game here 15-13 and 15-9, but came back to trample Stamford 15-4 and 15-1.

Thursday the Hamlin volleyballers were dropped in Ballinger 15-9 and 15-4 in the third-place battle with the host Bearcats.

The Pied Pipers rolled over the Stamford Bulldogs 12-6 Friday evening in Piper Stadium during Homecoming festivities.

The Pipers' record now stands at 6-2-1 for the season and 3-2 for district play.

The leading ground gainer for Hamlin was Robert Pharriss with 84 yards. The Pipers' defense held the Bulldogs to 214 total yards.

The Hamlin junior varsity shut out the Abilene Christian High varsity 12-0 in Piper Stadium last Thursday evening.

Mack Lee and Drew Tomlinson were the only scorers of the game, while both of the Hamlin extra point attempts failed.

The Hamlin JV's have won their last six contests and their record stands at 6-2-1 for the season.

The eighth grade footballers walked over their counterparts from Stamford 20-6 Thursday evening in Bulldog Stadium, bringing their record to 3-2-1.

School pictures were sold from Wednesday through Friday of last week in the high school lobby.

The package contains three sheets of various-sized pictures and sold for \$4.20. Anyone wishing to buy their pictures this week should contact Jerry Gooch, annual staff sponsor.

Hamlin's Student Council will be running for president at the district convention this year. All members are pooling their efforts toward this goal.

The Hamlin High Spanish Club drove to Abilene Tuesday evening to bowl for their November meeting.

Hamlin's Pied Piper footballers end their season in Colorado City Friday evening at 7:30.

A win would allow the Pipers a second place finish in District 6-AA.

Colorado City should prove a formidable opponent as witnessed by their 7-6 upset over the state-rated Ballinger Bearcats last week.

300 FFA Members Take Part In District Contests Here

Approximately 300 FFA members representing all 15 chapters in the Double Mountain District FFA Association participated in the annual Double Mountain District FFA Leadership Contests in Hamlin Nov. 6. The contests were hosted by the Hamlin FFA Chapter and the Hamlin High School Vocational Agriculture Department.

Five chapters captured first places and will represent the district at the Area II Leadership Contests in Big Spring on Nov. 22. First place teams were Stamford FFA in Farm Radio, Roby FFA in Senior Chapter Conducting, Rochester FFA in Senior Farm Skills, Aspermont FFA in the Junior Farm Skills, and Lueders-Avooca FFA in the FFA Quiz and in Junior Chapter Conducting.

Hamlin FFA entered the

Wheat Producers Must Furnish Data

John E. Youngquist, chairman of the Jones ASC County Committee, reminded all wheat producers this week that Wheat Yield Data must be furnished to the Jones County ASCS Office by those producers desiring to prove 1976 wheat yields.

It will be necessary to furnish wheat yield data for the years 1970 through 1974. Producers have 15 days to notify the County Office of their intention to prove 1976 wheat yields.

Senior Chapter Conducting, Junior Chapter Conducting, and FFA Quiz. They placed third in the Quiz contest and Mark Carter was the high point individual in the contest.

All first place teams will perform before the members of the district at a district meeting at the Hamlin High School Cafetorium Monday, Nov. 17, 7 p.m. The public is invited to attend and hear these teams.

Services Planned Here Friday for John Alexander

John (Son) Alexander, 63, died at 9:30 a.m. Monday in Hamlin Memorial Hospital.

Services will be held at 2 p.m. Friday in Oak Grove Baptist Church with the pastor, the Rev. Leo Scott, officiating.

Born July 12, 1912, he has been a resident of Hamlin for 50 years.

He was a laborer and a member of Oak Grove Baptist Church.

He is survived by two sisters, Mrs. Earl Covington of Monahans, Mrs. Georgia Carter of Dimmitt; three brothers, James Talton, Billy Joe Hargess, and R. C. Formen, all of Farmington, N. M.

Burial will be in Hamlin East Cemetery under the direction of McCoy Funeral Home.

STATE CAPITAL

Highlights AND Sidelights

TEXAS PRESS ASSOCIATION

AUSTIN — Most observers agree constitutional revision is a dead issue in Texas after last week's crushing defeat of all eight proposed changes in the state's basic law.

The eight propositions went down by a statewide margin of nearly three-to-one, leaving proponents little ground for optimism of reviving any of them.

They failed by resounding counts in the cities, the middle-sized towns and in the rural areas. Only Duval and Webb counties approved all eight proposals, and El Paso County endorsed seven. Kenedy County accepted the first three and rejected five others.

Lawmakers seemed to agree that, in view of the lopsided turnaround, there is no point in trying to call a citizens constitutional convention.

Some said the only chance for revision now is a long, drawn-out process in which a single article or parts of articles are submitted to voters one-at-a-time after careful efforts to iron out differences.

Only the League of Women Voters of Texas remained committed to seeking establishment of a citizens convention to draft a new document.

Some legislators who pushed hard for revision admitted they will be keeping a low profile for awhile—hoping the voters don't hold their activities against them.

Jails Studied

Only half a dozen county jails met all Health Department standards during the last six years, the new Texas Commission on Jail Standards was told last week.

The Commission met here to discuss how it can go about getting public support for upgrading jails.

A Health Department officer said only counties whose jails had a perfect score were Childress, Gillespie, Howard, Lynn, Milam, and Oldham. Eight others had a single violation out of a list of 30 items checked.

The Commission has enforcement power, can order sub-standard jails closed and transfer prisoners to other facilities.

No Tax Bill

The chairman of the Texas House of Representatives tax panel questioned whether a new tax bill will be required in the legislature of 1977.

The state has escaped new taxes for two legislative sessions, but most projections have indicated a record revenue measure will be required at the next session.

"My personal belief is that a tax increase is not going to be required at the next session of the legislature," Rep. Joe Wyatt of Bloomington told a seminar on the state tax structure. Wyatt is chairman of the House Ways and Means Committee.

Patient Load Drops

Patient population at Texas mental hospitals has dropped 18.1 per cent in the last year, to 6,944.

The admission rate, meanwhile, increased to 19,797 from 18,413. Community-based facilities close to patients' homes and improved treatment programs were credited with reducing the number of long-term residents.

Courts Speak

The State Supreme Court held businesses have a right to jury trial when the state sues them for deceptive trade practices.

In another case, the High Court called for a new trial of a Galveston area woman's suit arising from burn injuries when natural gas came out of her kitchen sink water faucet.

By a divided verdict, the Court affirmed a \$303,126 ruling against the widow of the owner of a rental and supply firm which rented scaffolding from which workmen fell during construction of a Galveston school a decade ago.

Short Snorts
Harry Burleigh resigned as executive director of Texas Water Development Board.

Texas business activity increased 12 per from August to September, according to The University of Texas Bureau of Business Research.

The State Insurance Board sees no danger of insurance firm insolvencies due to investment in New York City bonds, according to Chairman Joe Christie.

AFL-CIO leaders are pushing for a corporate income tax next time big

money is needed to run state government.

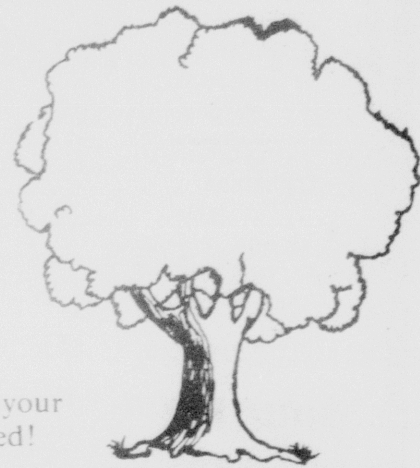

Secretary of State Mark White Jr. reported no instances of voter discrimination, intimidation or coercion in the November 4 constitutional revision election.

A total of \$13.7 million in federal Economic Development Administration funds have been approved to help create jobs for 2,500 Texans.

Cigarette tax revenues increased more than \$1 million last month over October 1974.
